We designed the Mooni Eclipse speaker with two philosophies in mind: design and sound. The smooth curves and our signature pine wood handle blends in beautifully with your décor while the concave shape enhances and delivers powerful sound. The LEDs illuminating around the speaker create a ring of fire effect when set on a dynamic light mode setting.

The OVO Mini Speaker is a small, egg-shaped speaker with a glowing white body. It is held within a light-colored wooden arch that stands on two thin legs. The speaker is positioned on a dark surface, possibly a table, with a book partially visible in the foreground. The background is a blurred outdoor setting with trees and foliage.

247mm x 404mm

**OVO Speaker**

314mm x 507mm

The OVO Speaker by Mooni features sculpted wood arches for a modern Scandinavian appeal with each detail thoughtfully designed. Create the mood with a variety of colors and personalize the moment when you stream your favorite tunes from your Bluetooth device. Comes in two sizes.

A person is riding a bicycle on a paved path. A glowing yellow speaker, the TakeMe Speaker, is attached to the back of the bicycle. The speaker has a white top with the 'moon!' logo and a flexible yellow handle. The person is wearing a white cable-knit sweater and blue jeans. The background shows a park-like setting with trees and a fence.

**TakeMe Speaker**

183mm x 337mm

Take light and sound wherever you go. Our flexible rubber handle and durable lantern body is easy to carry along on your many adventures. Perfect by the pool, at the park, or anywhere you want to bring Mooni. Stream music and create a moment by bringing your TakeMe speaker anywhere you go.

**Table Lamp**  
218mm x 284mm

**Table Lamp Speaker**  
218mm x 284mm

The Mooni Table Lamp Speaker features smooth, sculpted pine wood for a modern Scandinavian appeal. Personalize the ambience to suit the moment. Stream your playlist and relax with the soft glow in your bedroom, a romantic dinner, on the balcony... the possibilities are endless. Also fits nicely on a bedside table and makes a great night light as you can dim the brightness.

A group of people are dining outdoors at dusk. In the foreground, a woman with blonde hair is seen in profile, holding a wine glass. The table is set with plates of food, including a large bowl of red crawfish, and several wine glasses. In the background, other diners are visible, including a man in a pink shirt and a woman in a dark top. A glowing, circular speaker with a black center and a white ring is positioned in the lower right foreground. The scene is lit with the soft, warm light of twilight.

The compact Mooni Eye Speaker adds a little personality to every setting. Bring Mooni along to the beach, a day at the park, anywhere you want to elevate the moment. Stream your playlist and turn up the fun for the whole family.
