LIVIA crown will bring elegance to your home and with its curved design will fit in as a beautiful decorative element. The chandelier looks great over a living room table and goes especially well with classic furniture. Thanks to the combination of black matte and gold, the lamp can become a fine eye-catcher in your living area. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
