

Ceiling lamp

MOBILE – R62883135

incl. 1x SMD LED, 27W · 1x 3200lm, 2700 - 6000K

- Remote control
- Integrated dimmer
- Slewable
- Light color infinitely variable
- Night light
- Dimmable via switch
- Ceiling mounting
- Not suitable for external dimmer
- IP20

Light objects in geometric shapes a statement on the wall or ceiling! The swivelling modules of the MOBILE leave no design wish unfulfilled and offer creative arrangement options. Not only can the brightness be adjusted as desired via a remote control, but the colour temperature can also be controlled from cool white to warm white. Alternatively, the brightness can also be adjusted in three steps (100%, 50%, and 25%) via the integrated SWITCH dimmer using a conventional light switch. The night light function rounds off the luminaire wonderfully. The perfectly formed look in matt black and wood optics fits into many furnishing styles thanks to its simplicity. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

MDF · wood imitation

Product dimensions

Width: 39cm
Height: 10cm
Depth: 42cm
Weight: 1,235kg

Technical data

Light source: SMD – LED (integrated)
Watt: 27W
Lumen: 1x 3200lm
Kelvin: 2700 - 6000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20
