

Ventilator

NYBRO – R64133132

incl. 1x SMD, 30W · 1x 3500lm, 2700 - 6500K

- Remote control
- Integrated dimmer
- Light color infinitely variable
- Night light
- Dimmable via switch
- Ceiling mounting
- Not suitable for external dimmer
- Memory function
- IP20
- Fan
- 3 modes of speed
- Timer
- Oscillating

The ceiling light has a minimalist round look and convinces with numerous functions. The included remote control allows you to adjust the light intensity and the light colour to your needs. The integrated fan can be switched separately from the ceiling light in three speed levels and ensures optimally balanced room air in summer and winter. The numerous functions of the NYBRO are perfectly rounded off by the integrated timer, the night light and the memory function. The round shape and the black matt colour make the ceiling light an eye-catching living element with a feel-good character. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Metal - Black mat

Product dimensions

Height: 19cm
Diameter: 50cm
Weight: 3,kg

Technical data

Light source: SMD – LED (integrated)
Watt: 30W
Lumen: 1x 3500lm
Kelvin: 2700 - 6500K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
